Necessity.)	

This matter comes before the Public Service Commission of South Carolina (the Commission) by way of a request filed by Hampton H. McMillian, Jr. (Applicant or McMillian) to reinstate Class C Certificate of Public Convenience and Necessity (Certificate) No. 7660.

Certificate No. 7660 was issued to McMillian pursuant to Commission Order No. 2006-69, dated January 27, 2006, which granted McMillian authority to render motor passenger service. Thereafter, by Order No. 2006-762, dated December 15, 2006, the Commission suspended McMillian's Certificate of authority. This suspension was ordered upon the motion of the Office of Regulatory Staff (ORS) to suspend McMillian's Certificate for McMillian's failure to maintain and file proof of the appropriate insurance as required by S.C. Code Ann. 58-23-910. On January 11, 2007, McMillian filed a request with the Commission seeking cancellation of Certificate No. 7660. The Commission granted McMillian's request and cancelled Certificate No. 7660 by Order No. 2007-74, dated February 1, 2007.

By letter received February 7, 2006, the Applicant requests that McMillian's Certificate in question be reinstated. The original Application filed by McMillian, which the Commission approved by Order No. 2006-69, provides documentation regarding the Applicant's stated knowledge of and commitment to abide by all relevant statutes and Commission regulations.

The Commission has reviewed the case before it and after due consideration, the Commission concludes that the above-mentioned Certificate should be reinstated, subject to compliance with all the applicable statutes and the Commission's Rules and Regulations.

IT IS THEREFORE ORDERED:

1. That Class C Certificate of Public Convenience and Necessity No. 7660 in the name of Hampton H. McMillian, Jr. be, and hereby is, reinstated, subject to compliance with all Commission Rules and Regulations within sixty (60) days of the date of this Order.

2. That all operating rights authorized under the Certificate are hereby reinstated, subject to compliance with all applicable statutes and the Commission's Rules and Regulations within sixty (60) days of the date of this Order.

3. That prior to compliance with the applicable statutes and the Commission's Rules and Regulations, including the requirements of filing with the Office of Regulatory Staff proof of appropriate insurance, the payment of license fees, and such other information required by law within sixty (60) days of the date of this Order or request and obtain from the Commission additional time to comply with the

requirements stated above, the motor carrier services authorized by the Certificate shall not be provided.

4. Failure of the Applicant either (1) to complete the certification process by complying with the Commission requirements of causing to be filed with the Office of Regulatory Staff proof of appropriate insurance on forms as approved by the Commission and the payment of license fees and such other information required by law within sixty (60) days of the date of this Order or (2) to request and obtain from the Commission additional time to comply with the requirements of the Commission as stated above, may result in the authorization approved in this Order being revoked.

5. That this Order shall remain in full force and effect until further Order of the Commission.
